**Details:**

Individuals named in this EC have been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the subject individual or others in retaliation or with the goal of stopping the protected activity from occurring in the first instance. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.

I arrived to the scene with Corpus Christi Fire Department already putting out two small fires on the second floor of the mall. The fires were set in open areas with trash found inside the mall area. I made contact with the (RP) [REDACTED] who is the hired security for the property, he advised that he came up on the fire shortly after it was set but did not find any persons in the he area at that time.

[REDACTED] then advised me that between midnight and the time of this call, an unknown suspect(s) entered the Sunrise Mall unlawfully, without the effective consent of the owner and painted several "Patriot Front" stencils on the walls that were not present during his checks conducted at midnight of this date. [REDACTED] walked me around the second floor and pointed out 4 different stencils painted on the interior walls and pillars of the second floor which read Patriot Front, Life Liberty, Victory and a symbol associated with the group. Pictures were taken utilizing a city issued camera and downloaded to DIMS reference this case number [REDACTED] advised that each stencil was approximately \$25 worth of damage to repair totaling \$100 of damage.

AYER POLICE DEPARTMENT

On Monday, November 23, 2020 I was working my assigned shift in marked Ayer Police cruiser [REDACTED] Working with me was [REDACTED] in marked Ayer Police cruiser [REDACTED] The weather was rainy and cold and 42 degrees.

b6 -6  
b7C -6

1. At approximately 1417 hours I was dispatched to the Depot on Main Street to meet with [REDACTED] [REDACTED] regarding stickers that were placed in and around town. Upon arriving, [REDACTED] was already present and speaking with [REDACTED] I exited my cruiser and spoke to [REDACTED] He advised me that he observed stickers from the **PATRIOT FRONT** affixed to several signs.

2. Myself and [REDACTED] departed and checked the surrounding areas. Prior to leaving, [REDACTED] spoke to [REDACTED] [REDACTED] is known to us from interactions and [REDACTED] He asked [REDACTED] if he saw the stickers and he told [REDACTED] that he tries to take them down when he sees them.

b6 -3,6  
b7C -3,6

3. [REDACTED] and I found numerous stickers affixed to street signs (see attached photos). The streets in which they were located are as follows:

- Main Street
- Park Street
- West Street
- Pleasant Street
- Cambridge Street

Most of these stickers were placed in areas where there is pedestrian traffic, and in front of Union Coffee on Main Street. As a note and possible motive, Union Coffee has been outspoken and supporters of the Black Lives Matter movement. This is potentially a future target area for these stickers due to the current racial and political climate and overall mission/manifesto of the **PATRIOT FRONT**.

4. [REDACTED] stated during roll call on 11/23/2020 that he might have a lead on a potential

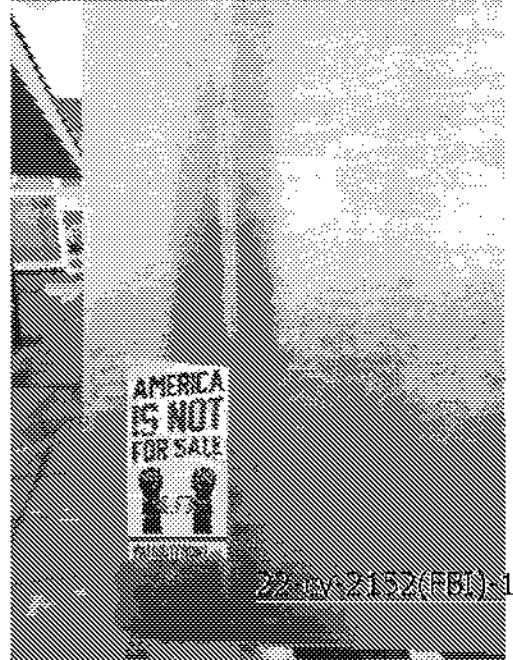

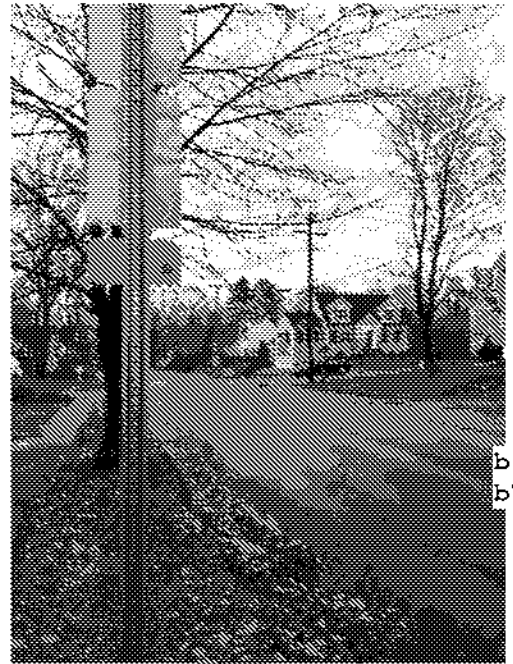

b6 -6

suspect. It has yet to be determined who that may be. Further information regarding this intelligence will come from him and in a supplemental report or as directed by [REDACTED]

5. Based on a previous investigation with this same issue, and after researching the PATRIOT FRONT via the **Southern Poverty Law Center** ; this group is listed as *“white nationalist hate group that broke off from Vanguard America in the aftermath of the deadly “Unite the Fight” rally in Charlottesville, Virginia of August 12, 2017.”* The Anti-Defamation League (ADL) also lists PATRIOT FRONT as a “White Supremacist Group.” As of October 27, 2020 the **Providence Journal** reported the same stickers affixed to light posts. Lastly, according to the **Counter Extremism Project** (counterextremism.com) as of August 2017 there was an active chapter in Massachusetts. .
6. Based on the information known about PATRIOT FRONT, the amount of stickers recently located and their target areas, I will be monitoring the area for any further stickers or propaganda materials and speaking to individuals when appropriate. Under the direction of [REDACTED] this issue should be forwarded to [REDACTED]

The suspect that I spoke to you about is [REDACTED] (DOB [REDACTED])  
[REDACTED] At this time I do not have probable cause for any crime committed by him, it is more just reasonable suspicion. He was seen in the area on a few of the reported occasions. I have not tried to speak with him. I did try to find him on social media and was unable to find any social media presence, at least using his real name [REDACTED]  
[REDACTED] I hope this helps, let me know if you need anything else.

Respectfully Submitted,

The flyer that was confiscated reads "reclaim America" and lists a web site of PATRIOTFRONT.US. The web site belongs to a hate group known as the Patriot Front. The web site talks about a revolution and uprising against tyranny. It appears that the group may be a division of the Vanguard America group known for its white supremacist and neo-Nazi beliefs. On the web site the individuals are seen wearing tactical style khaki pants and white face masks. This clothing matches what the individuals were wearing during the incident.

I made several passes through the area but could not locate anyone matching that description. I also checked with the Lifebridge shelter and they reported no one matching that description staying there or passing through.

I will place a flyer at roll call for informational purposes. I will also be notifying CID for further investigation and awareness. The poster was bagged and placed into evidence.
